

Perler Bead Art Show

Use this grid and some colored pencils to plan your artwork before coming to the library to assemble it. Don't forget to give your artwork a frame, at least 2 beads wide. Your art can be smaller than this grid, but cannot be larger.

Please note that while we will endeavor to have a wide variety of colors available, we cannot guarantee the availability of any particular color.

Create your Perler Bead Art at the the Library on Thursday, June 20 anytime between 12-6:15 pm. Registration is appreciated. Art will be displayed in the Library through August 10.
